

# Quargo Community Guidelines

## **Respect the QuargoCommunity**

We're not asking for the kind of respect reserved for nuns, the elderly and brain surgeons. We mean don't abuse the site. Every cool new community feature on Quargo involves a certain level of trust. We trust you to be responsible and millions of users respect that trust, so please be one of them.

## **Don't Cross the Line**

Here are some common-sense rules that will help you steer clear of trouble:

Quargo is not for pornography or sexually explicit content. If this describes your graphic content, even if it's a photo of yourself, don't post it on Quargo. In addition, please be advised that we work closely with law enforcement and we report child exploitation. Please read our Safety Tips and stay safe on Quargo.

Don't post graphics showing things like animal abuse, drug abuse or bomb making.

Graphic or gratuitous violence is not allowed. If your graphic shows someone getting hurt, attacked or humiliated, don't post it.

Quargo is not a shock site. Don't post gory pictures of accidents, dead bodies or similar things.

Respect copyright. Only upload graphics that you made or that you are authorised to use. This means don't upload graphics you didn't make, or use content in your videos to which someone else owns the copyright. Read our Copyright Tips for more information.

We encourage free speech and defend everyone's right to express unpopular points of view. But we do not permit hate speech (speech which attacks or demeans a group based on race or ethnic origin, religion, disability, gender, age, veteran status and sexual orientation/gender identity).

There is zero tolerance of predatory behaviour, stalking, threats, harassment, invading privacy or the revealing of other members' personal information. Anyone caught doing these things may be permanently banned from Quargo.

Everyone hates spam. Do not create misleading descriptions, tags, titles or thumbnails in order to increase views. It's not OK to post large amounts of untargeted, unwanted or repetitive content, including comments and private messages.

Please take these rules seriously and take them to heart. Don't try to look for loopholes or try to lawyer your way around them—just understand them and try to respect the spirit in which they were created. Violations of the Terms of Use may result in a warning notification or termination of your account. If your account is terminated you are prohibited from creating any new accounts.

## **Quargo is for the Community**

Remember that this is your community! Each and every user of Quargo makes the site what it is, so don't be afraid to dig in and get involved!

Have fun with the site. There's a lot here to see, and lots of people making amazing stuff—one of them might be you! Equipment's getting cheaper and easier to use all the time, so dive in and enjoy.

Let people know what you think. Feedback's part of the experience, and when done with respect, can be a great way to make friends, share stories and make your time on Quargo more fulfilling. You may not like everything you see. Some of the content here may offend you—if you find that it violates our Terms of Use, drop us a mail about it! That's it! Thanks for reading!
